

A woman with long brown hair is looking at a rack of sweaters in a clothing store. The store has wooden shelves and racks, and a large window in the background showing a street scene.

CUSTOMER SHOPPING BEHAVIOR

Where growth is hiding

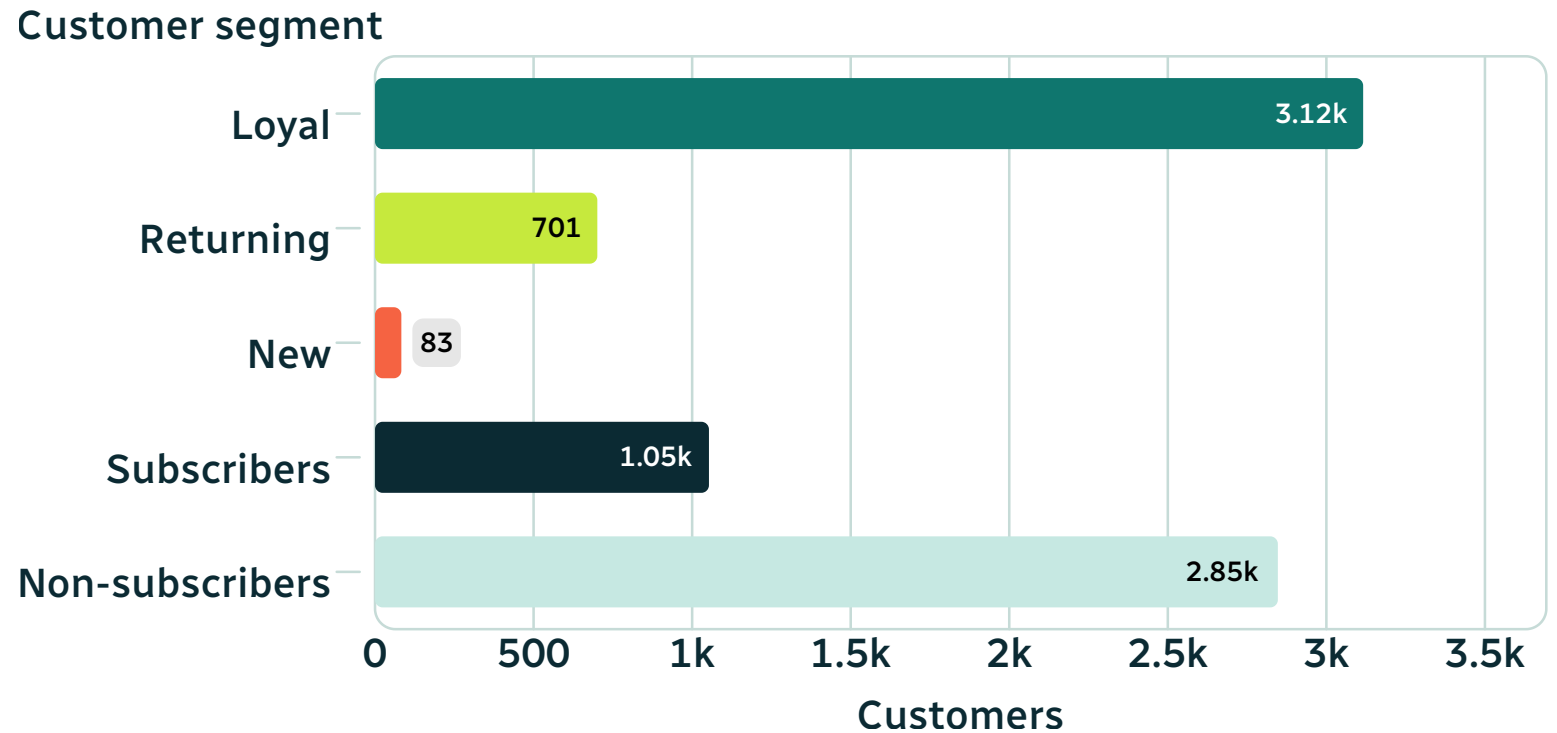

A commercial read on loyalty, product demand, shipping intent, and the next tests to run.

The business has a loyal base, but subscription adoption trails it

27%

of customers subscribe
3,900 purchases across 18
fields reveal a repeat-heavy
customer base.

3,116 Loyal · 701 Returning · 83 New

Customer segment mix and subscription adoption

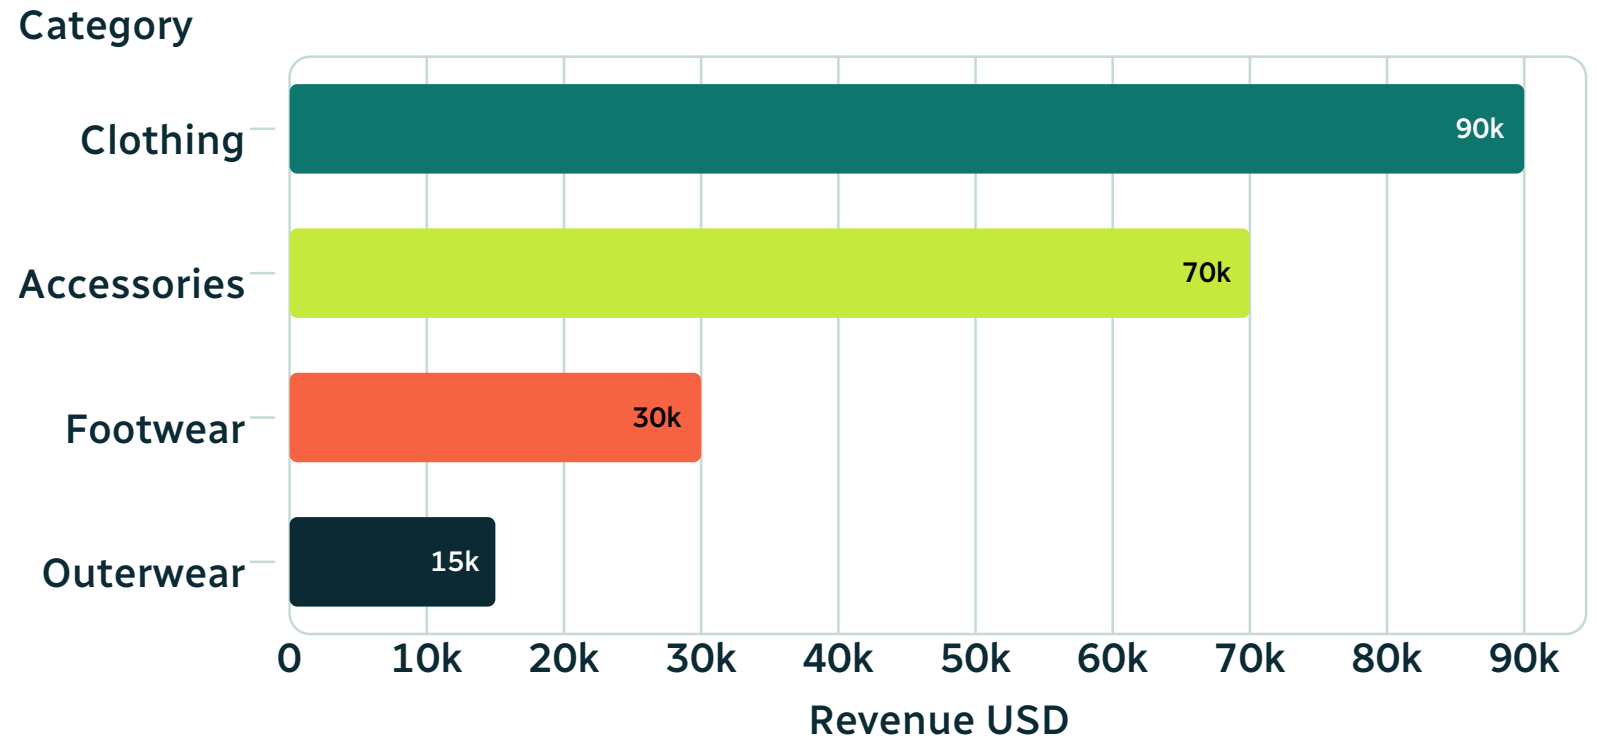

Clothing is the revenue engine

\$90K

from Clothing

About 1,800 sales make Clothing the largest revenue pool by a wide margin.

Accessories follow at about \$70K and 1,200 sales.

Revenue by category

Product winners combine demand and strong ratings

HIGHEST-RATED PRODUCTS

Product	Rating
Gloves	3.86
Sandals	3.84
Boots	3.82
Hat	3.80
Skirt	3.78

TOP-VOLUME PRODUCTS

**Jewelry · Sunglasses · Belt · Blouse ·
Pants · Shirt · Sandals · Shoes ·
Sneakers · Jacket · Coat**

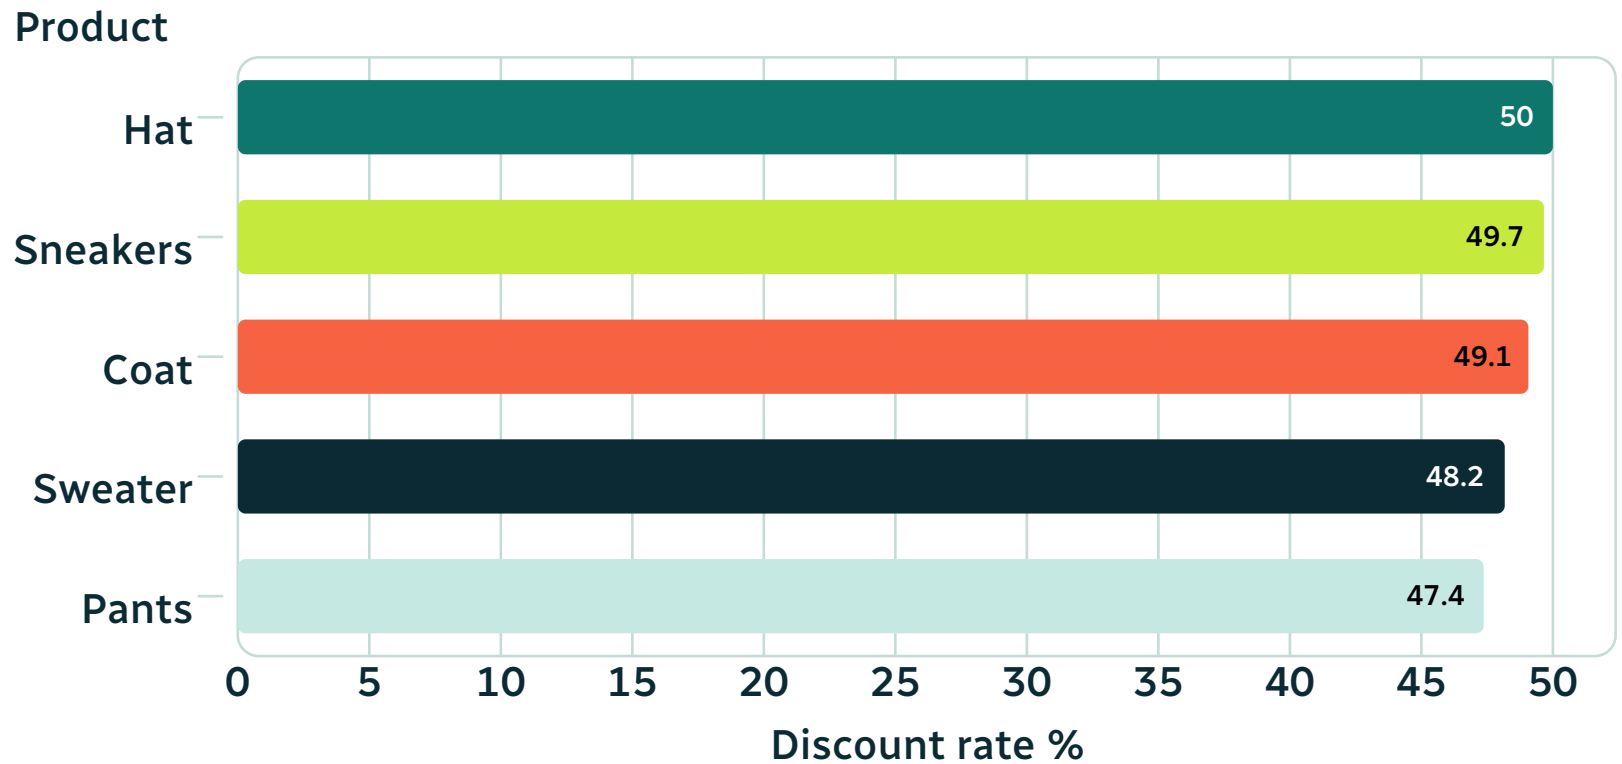

**Use high-rated products as proof points while
scaling proven demand.**

Discounts are working hardest on a small set of products

839

customers used discounts and still spent above the average purchase amount

The opportunity is to protect conversion without training customers to wait for promotions.

Products with the highest discount rates

Express shipping signals higher-value intent

BEHAVIORAL SIGNAL

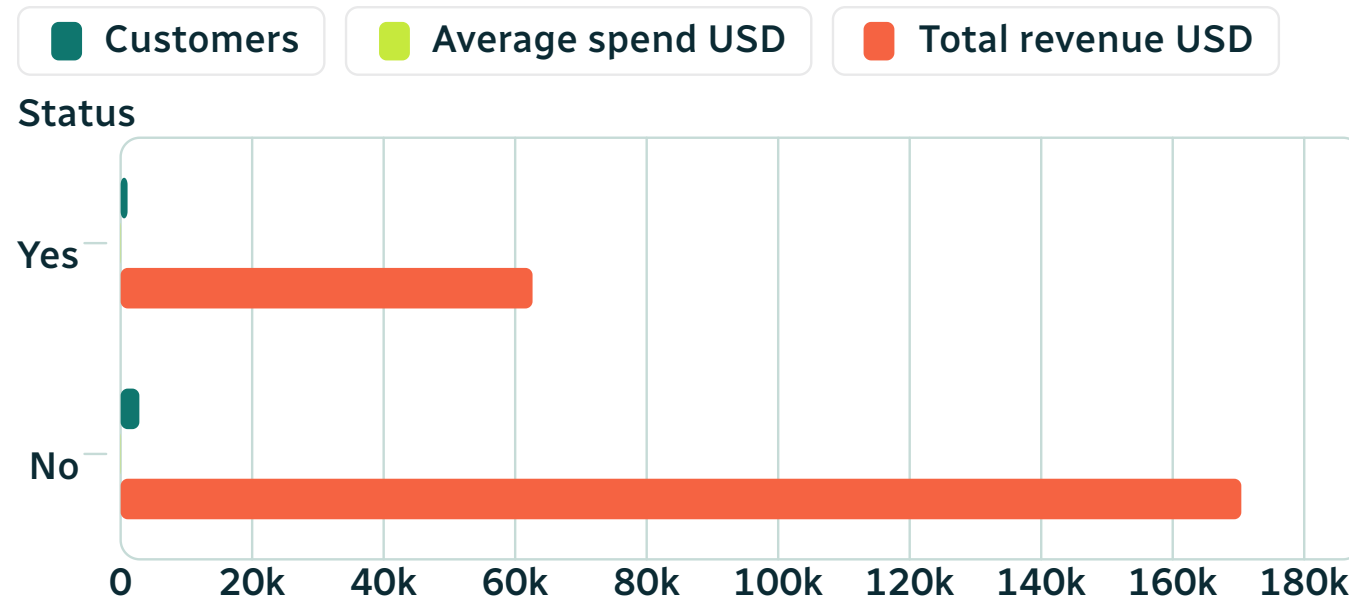

\$2.02

higher average purchase amount with Express shipping

Test faster-shipping messaging and bundles with high-intent shoppers.

Subscription economics need a stronger value proposition

Subscriber versus non-subscriber economics

AVERAGE SPEND IS FLAT

\$59.49 vs **\$59.87**

Subscribers generated \$62,645 across 1,053 customers. Non-subscribers generated \$170,436 across 2,847 customers.

Grow subscriptions through added value, not just discounting.

Young adults lead revenue contribution

Age group	Revenue USD
Young Adult	\$62,143
Middle-aged	\$59,197
Adult	\$55,978
Senior	\$55,763

RECOMMENDATION

Keep the offer broad

Use age-aware creative and product emphasis.

Next moves: test, measure, scale

1

Launch a subscriber value test

Build the proposition around benefits beyond price.

2

Build campaigns around winners

Start with Clothing, Accessories, and the strongest-rated products.

3

Segment intent

Use shipping and age messaging to identify higher-intent audiences.

4

Track the commercial scorecard

Subscription conversion, repeat purchase rate, margin by promoted product, and average order value.

THE COMMERCIAL ASK

Turn signals into tests.

The growth is already visible in loyalty, product demand, shipping intent, and targeted offers.

Test · Measure · Scale
